

This chart is to be included in the men's section on tuxedos.

Tuxedo measurement chart for out-of-town measurements

If anyone in your party is coming from out of the area they can get a courtesy measurement at a formal wear store and email it to us.

***Fashion Expressions
Courtesy Tuxedo Measurement***

Please fill in all the blanks so we will be able to get a good fit for you.

NAME _____ Date Needed _____

Address _____ Phone number _____

Bride or Groom's Name _____

Height	Chest / Bust	Waist	Outseam	Neck	Sleeve
Weight	Overarm	Hip			
Shoe Size	Special Needs				
Child's Age					

Remember it is important that you come into our store and try on your tuxedo one or two days before the wedding or event.

You can give this form to the bride or groom or e-mail it to Fashion Expressions.

Address: fashexp@peak.org OR Fax 541-926-0629

How to register the men in your wedding party: It is best to register your tuxedo style and names of all men in your wedding party as soon as the bridal fashions are chosen. This gives all men the most time to be measured. All measurements need to be in our store at least three weeks before wedding date. During busy wedding or prom season the tux style you want may rent out before you get yours ordered.
